Connection rates listed above cover bringing service from source to booth. All work performed within booth attaching lines to the equipment will be charged on a time and material basis in addition to connection fee. Please see conditions below, thank you.

- 1) Wall outlets and post outlets are not part of the booth space. Separate outlets must be ordered for each booth connected. All material and equipment furnished by BCCA remains the sole property of BCCA.
- 2) Rates include bringing circuits to the booth. Should it be necessary to run lines into the booth, hook up motors or panels and remove same, a labor order must be placed at the Registration Desk and will be charged on a time and material basis.
- 3) Any power or outlets ordered after installation of booths begins, will be charged a rush fee rate, plus time and materials.
- 4) Any work not covered by the above schedule will be done on a time and material basis. Said rate is \$20.00 per hour with a half hour minimum for such time and material work.
