WHY ATTEND —Fast and furious is how changes in environmental regulations and legislation are coming these days. Whether you are new to the field or a seasoned environmental professional, you know how tough it is to stay on top of the complexities of environmental regulations. The SAMA Environmental Seminar is an in-depth program intended to give you insight and understanding of environmental regulations and programs, especially, those of TCEQ, the US Environmental Protection Agency, SAWS, Bexar County and the City of San Antonio.	
The up-to-the-minute information, handouts, and practical advice provided during the seminar will address the issues environmental professionals deal with on a daily basis. The speakers include high level local and state regulatory officials who set regulatory policy and are available to respond to your difficult questions.

EXHIBITOR | SLIDE BREAK SPONSORSHIP OPPORTUNITIES—SAMA is committed to growth through education, training and experience and we invite you to participate this year as a SPONSOR in our Environmental Seminar. The exhibitor fee for members is \$200 and the non-member fee is \$300, which entitles you to a table, exclusive listing in the attendee handout, presentation slide dedicated to your company, one registration for admittance into the seminar and lunch/break refreshments. Another option for sponsorship is the Slide Break Sponsor for \$50, this will provide you the opportunity to provide SAMA with your slide and have it on the conference screen during one of the three breaks.

If you are interested in participating as a sponsor, please sign-up online or complete the form below and return with payment to secure you space. NOTE: Sponsor table space is limited to five, please do not wait too long to take advantage of this opportunity.
